

INTRODUCING

STARPARTS F-TECH – FUME TECHNOLOGY

The F-Tech Armour is a high performance mobile extraction system designed for extraction and filtration of fumes derived from the welding processes, micro dust, vapours and odours.

F-TECH ARMUR

KEY FEATURES

- Portable 4 wheel unit on swivel castors for easy movement around the workshop
- High performance 3mtr positional suction arm
- The Armotech and Armoflex suction arms have been designed for maximum efficiency, high manouverability and robustness during the extraction of welding fumes
- 1400 M³/h flow rate at hood
- 99.5% filter efficiency
- User friendly digital panel
- Hourmeter
- Clogged filter alarm
- Alarm log
- Fully serviceable
- Readily available accessories and spare parts

TECHNICAL DATA

Filter efficiency	99.5% E12 Classification
Motor power	1.1 Kw
Rated input voltage	110V and 230V models 50Hz
Flow rate pressure	1400m ³ /h (at hood)
Noise levels	69dB(A)
Dimensions	1010 x 520 x 920 mm
Weight	85 Kg

Auto Stop/Start unit also available

- Max recommended arm length is 3mtr
- Supplied with 3mtr power supply cable
- Armoflex & Armotech arms - 12 mth warranty
